

Office of the Vice President
for University Relations

TO: All Purdue faculty and staff

FROM: Joseph Bennett, vice president for university relations
Terry Strueh, vice president for governmental relations

DATE: April 16, 2008

SUBJECT: Policy on political activities

The 2008 election campaigns have brought increased political activity to the Greater Lafayette community and the Purdue campus. It is important for all faculty and staff to be familiar with Purdue's policy on political involvement.

The policy is expressed in Executive Memorandum B-4, which is available online at:
http://www.purdue.edu/policies/pages/human_resources/b_4.html.

Purdue's policy affirms the right of all university employees to express their individual views, but it prohibits the use of the university's name or resources to further political causes.

Please familiarize yourself with Executive Memorandum B-4. Any questions may be directed to the Office of Governmental Relations or the Office of University Relations.

Thank you.
