Re: John Fisher Coordinator for Undergraduate Recruitment in the College of Science

I am very pleased to announce that John Fisher has been appointed to the position of coordinator for undergraduate recruitment for the College of Science. His responsibilities will include managing the new undergraduate student recruiting efforts for the College and acting as the staff liaison to the CoS Student Ambassadors.

Fisher was most recently director of special events and alumni relations for the College. He earned his Bachelor of Arts in anthropology from Purdue University in 1984. Fisher will begin his on Monday, July 28.
