RE: 2008-09 President's Open Forum

Please join us as we plan for this year's President's Open Forum meetings. The goal for the coming year is to inform the entire university family on a variety of topics, and to provide opportunities for discussion and feedback. We expect to have four such forums during the academic year, two in the fall semester and two more in the spring semester.

The initial President's Open Forum is scheduled for **October 9th from 9:00 to 10:00 a.m. in the Purdue Memorial Union, East and West Faculty Lounge**. A schedule for the remaining forum meetings will be forthcoming shortly.

The President will select topics of interest for presentation and the meetings will be open to all faculty, staff and students. The forums will be announced in "Purdue Today" to inform the campus community.

Thank you for your attention, and we look forward to seeing you all at the Forums.
