Re: Dean Search Update

A search and advisory committee for the Dean of Management has been appointed. A membership roster is provided with this letter. I am grateful to each member of the committee for their willingness to lend their expertise and time to this very important endeavor. I have asked Jeffrey Roberts ([jtrob@purdue.edu](mailto:jtrob@purdue.edu)), Frederick L. Hovde Dean of Science, to chair this committee.

You are encouraged to forward names of possible nominees to search committee members. Once candidates have been invited to campus to interview for the position you will be given ample opportunity to provide feedback. Your input is very important in this process, and you are encouraged to attend open forums and dialogue sessions during the interview stage.

Finally, I would like to take this opportunity to again express my deep appreciation to Rick Cosier. He has served, and continues to serve, the Krannert School of Management with distinction. We are in a very strong position to recruit an outstanding successor to Rick largely due to his excellent leadership and the outstanding faculty and staff that make Krannert a special place to be an educator and scholar.

Thank you.

- Jeffrey T. Roberts, Chair, Frederick L. Hovde Dean of Science
- Mark E. Bagnoli, Professor and Olson Chair in Management
