

Many journals require a statement in the manuscript indicating that the protocol for studies with animals was approved by an institutional committee. Here are examples of statements that you can use:

For studies that DO NOT require PACUC approval:

The protocol for the study was approved by the Veterinary Clinical Studies Committee of the Purdue University College of Veterinary Medicine (Protocol #).

For studies that DO require PACUC approval:

The protocol for the study was approved by the Purdue University Animal Care and Use Committee (Protocol #).

Purdue University is an equal access/equal opportunity/affirmative action university.
